A Monthly Publication For The Members of  
**The Classic Glass Corvette Club**  
Volume XV Issue 9 September 2005

## President's Corner

Well, we are making our way through the final days of summer and slipping into fall. As the temperatures start to get cooler, our attention turns to candy apples, festivals, and the changing colors of the leaves. This fall has several opportunities to get out and enjoy the cooler weather with our Corvettes!

Since our last discussion, we have had a few local and National Corvette Museum events.

Thanks to everyone that turned out and John Salvador for putting on a great trip down to Fort Benning, GA to benefit the families and children of Special Operations Soldiers. The Operation One Voice Cruise raised over \$7,800 for those families. Great job John!

A small contingent made their semi-annual pilgrimage to the National Corvette Museum's Labor Day Anniversary Celebration. Club members Robert and Hillary Dukas and Cindy Owens cars were selected as Celebrity Choice winners. Congratulations! We made our way over to the Porky Pig diner for a great country breakfast on Sunday to top off another wonderful trip "home".

A sort of last minute event was the St. Catherine of Siena Catholic Church Air show and Car show at McCollum Air Field. This was an open show and had everything from a Model A to the most recent production cars and motorcycles. The funniest thing about the show was a 1946 Crosley winning the "Low-Rider" category...?? LOL

We also had 11 cars attend the 8<sup>th</sup> Annual Mountain City Corvette Association Show and Drags at the Brainerd Dragstrip near Chattanooga. CGCC brought home the club participation trophy and a large number of our members came away with some way cool trophies as well. If you haven't made it to one of their events, plan on going next year. We

make it a point to have tons of fun the night before the show, and sometimes even get scolded by the hotel management.

The Corvette Roundup with American Dream Vette Club is taking place on Sept 24<sup>th</sup> and we are looking forward to the trip to Milt Robson's place and his "candy store" collection of great one of a kind, muscle and antique cars. This is a real treat for car lovers.

Petite Le Mans is coming around again and Team Corvette continues to rule the track. Come by and visit the Corvette Corral and you might just see your favorite driver or Corvette personality. A big thank you to Vicki Hicks for coordinating the corral with Chevy and IMSA.

The October 8<sup>th</sup> weekend is chock full of great events. We are supporting the Corvettes Against Breast Cancer at Atlanta Motor Speedway. This is a great cause and how often do you get a chance to drive your Corvette on a NASCAR track?!

It is that time again for nominations for officers. Jack Kreger will have nomination forms at the meetings for those of you who don't like to talk in front of crowds. We will be taking verbal nominations at the October and November meetings until we get all slots filled on the ballot. Also, it is renewal time. Please renew your membership between now and the Holiday party in December.

Check for more information on the requirements for nominees, voting and renewals later in the newsletter.

After all.... It's about the people who love the car!

Every day is a "Ragtop" day!

*Joe*

Hello Corvette Lovers!

It's been a great month once again for all of our fiberglass activities. We have went to Fort Benning with Operation One Voice, made a trip to Bowling Green, KY for the Labor Day Celebration, made a trip to Chattanooga and finally helped launch the North Georgia State Fair. And this was just since our last meeting.

Our trip to Chattanooga for the Mountain City Show and Drags was another great success and as Joe said in his corner it was a great time. The festivities the day before included a cookout with the Mountain City Club and watching the open drag racing. We had a great time playing "Jenga". I guess we were having too much fun because it was brought to our attention that we were a little too loud. The next day brought a beautiful day with no rain and gorgeous sunshine. "Tequila" did great for her first time out but the driver needs a little practice. Everyone in the club that participated in the drag races had plenty of track time. Sadly no one made it to the finals but a great time was had by all.

As the fall season approaches, keep in mind any festivals that you might want to visit. Maybe we can get a club outing together.

As always, if you have any news worthy articles, or just something to put into the newsletter, send it to me at [cindyowens@mindspring.com](mailto:cindyowens@mindspring.com).

As Always,

Have a "SUNNIE" day!

***Cindy***

**As the Steering Wheel Turns...**

By Joe Owens

Tequila stood proudly in the Kentucky sunshine and collected her first Celebrity Choice award. It took 3 trips to Bowling Green for Sunnie to win her first award. Of course, we had to leave Blue and Sunnie at home for the Labor Day weekend event. Upon returning home, Sunnie presented us with a puddle under the left rear wheel. Basically voicing her displeasure in being left at home in the best way she knew how... fix ME!!!

As Cindy indicated in her corner, Tequila's driver needs a little more practice with a 6-speed and a drag strip. The first run at the Chattanooga event was somewhat "interesting". The tires spun the entire way down the 1/8<sup>th</sup>

mile and I was having to drive her like I was driving on ice. Very much a pucker factor there...

Some new rear shocks have been ordered for Sunnie and we will plan a trip to the doc for the a/c problem...

Blue is doing well and is waiting for Sunnie's repairs before she gets more attention on upgrades and "bling".

Maybe I will have more time now that the major events are behind us and I can focus on the "girls".

We will see you next month with more tales from the "Busted Knuckle Garage".

## Corvette Racing Update

**C6R**  Corvette Racing

Road America was another great outing for Team Corvette with another 1-2 finish in GT1 class. Oliver Gavin had a little run-in with the Saleen, but came back and put that "pony" out to pasture. The final results were the #4 car finishing first in GT1 and 4<sup>th</sup> overall with the #3 car finishing second in GT1 and 5<sup>th</sup> overall. Great Job!

The race at Mosport over Labor Day Weekend was a very close finish. The race was "won in the pits" with some great work by the pit crews. The #4 Corvette finished first in GT1 and 6<sup>th</sup> overall only 2.022 seconds ahead of the #3 car that finished second in GT1 and 7<sup>th</sup> overall. The Saleen finished .644 seconds behind Johnny O'Connell in the #3 Corvette... talk about exciting!

The driver race has changed a little bit with Gavin/Beretta edging out O'Connell/Fellows by 1 point (147-146) after the last race. Olivier Beretta summed it up best, "I have to be honest, I'm happy to lead the points. But the important thing is always that a yellow Corvette wins."

Congratulations Corvette Racing!!! We are all behind you!

## \*\* Newspaper Article \*\*

The Gwinnett Daily Post recently wrote a great article about the Operation One Voice cruise.

"CORVETTE RIDE RAISES FUNDS FOR OPERATION ONE VOICE".

"A corvette ride from Alpharetta to Fort Benning on Sunday helped raise more than \$6,000 for Operation One Voice.

The Duluth-Based non profit organization devoted to honoring the armed forces and public safety workers said about 200 participants from Columbus, Warner Robins and the North Georgia area drove 112 Corvettes along the 120 mile trek. Two Georgia State Troopers escorted the caravan, which began at 9:00 am and ended with a raffle and a tour of Fort Benning's infantry museum.

The cost was \$35 per car plus an additional \$5 for a meal. "Not Only was it a good fundraiser, but it was a lot of fun." said Capt. David Dusik of the Gwinnett County Fire Department."

## Meeting Minutes from September 13th Meeting

**7:32 PM Joe Owens, President**

Joe opened the meeting with details of the previous shows and cruises:

**Operation One Voice** – There were 112 Corvettes that attended this cruise. This was a great cruise with the Georgia State Patrol escort from start to finish. To date they have raised \$7800.00 and that amount is still rising.
