

# THE VETTE SETTE

A Monthly Publication For The Members of  
**The Classic Glass Corvette Club**  
Volume XVI Issue 11 November, 2006

## *President's Corner*

Well the year is almost over; we have had a lot of good times this year. Let me just say that I have enjoyed being your President for 2006. We have had a full calendar this year as we always do, but we still have a few more events to go so sit back and enjoy the remaining time this year.

We have had plenty to do this year and way to many memories for me to talk about them all, so if you missed one or two ask some of your fellow members that attended the one you missed and try not to miss to many next year.

Some of the events we did this year were: Calvary Children's Home Bowling @ US Play, Valentine's Cruise; IV Annual Trip to Highlands NC; Atlanta Braves Honors 1966 Players Parade @ Turner Field; C5/C6 Birthday Bash @ the NCM, Bowling Green KY; Bowling Night @ US Play in Kennesaw; VetteStock @ Bogey's in Woodstock; Dyno Day @ MTI Racing in Marietta; "CARS" Movie Matinee @ AMC & Varsity Jr in Kennesaw; Annual Club Picnic; Gene Cofer's Private Car Collection in Tucker GA; Mystery Cruise to Chattanooga; Friday Night Sock-hop; SuperVette Saturday; 2nd Annual Wine Cruise; Warm Springs Cruise to FDR's

home place; Petite Le Mans @ Road Atlanta in Braselton; Charleston SC Weekend Cruise; Operation One Voice Cruise to Toccoa GA; Corvettes Against Breast Cancer Ride, and Tail of the Dragon Cruise. WOW what a list!

We still have the Holiday Party and this year we are going to have two light cruises, one to Callaway and one to Stone Mountain, so do stop yet as we are still having fun.

Do not forget to vote at the Holiday party and the absentee ballot is available if you cannot make the Christmas Party.

We are going to have a great time to close out the year please come join us.

**Editor's Corner**

Well we are just about at the end of the year. Have you had a good one with your Vette? We have and the new addition makes life even better.

If you are curious about how things were on the Tail of the Dragon, or just want to see your own car negotiating the curves with the rain, go to [www.Killboy.com](http://www.Killboy.com). At the right is the store and if you go to the week of 11-11 and choose cars, then click on page 8 and after, you may just see your car coming and going or that of someone you know. As you go thru the pictures, you will see many folks – not just ours- who crossed the lane line. Those who attended the Defensive Driving class will tell you that is a no-no big time.

Each month there are many great things to do and at the Holiday Party, give a thank you to those who have managed the planning for events and think about doing one yourself. From experience, I will say that all you need is an idea and excitement about that idea. Let your exhaust roar from there.

Winter is the time of going over THE CAR and making sure all is in readiness for next year. Keep on driving safely, enjoy your holidays, keep on **wavin'** and look forward to another event filled year with CGCC!

See you at the Holiday Party for elections and the last meeting of the year. If you are not going to attend, get you ballot over to Barry Tomlinson via email.

**Corvette Racing Update**

See you next year – Watch this spot --- Zoom Zoom

**\*Corvettes For Sale\***

If you have a Corvette for sale, we will put it into the newsletter for 1 month free of charge. The ad can have up to 3 lines and contain only a basic description and contact information. After that you can run an extended ad for 6 months and only have to pay \$10 for members and \$25 for non-members. This should be a great new feature to the newsletter. If you have any questions, please contact Bill Majoros – 770-971-7249

**\*\* Special News \*\***

*You must have your 2007 dues postmarked by December 31, 2006 to take advantage of the renewal rates. If your renewal is postmarked after December 31, 2006, you are subject to the New Member rates. Save that \$10 and send them in before the deadline!*

*Also, if you have not renewed, this will be the last issue of the Vette Sette you will receive...Sorry.....*

**General Meeting of CGCC MINUTES**

November 15, 2006

**President:** Barry Tomlinson called the meeting to order promptly at 7:30 p.m. at Sideline Grill.

Barry welcomed all in attendance and reminded all that this is the last meeting for this year at Sidelines. Our next general meeting will be at the Holiday Party on Dec. 2 at the Timber Ridge Conference Center.

He asked Cindy Owens to recap three events later in her report, Operation One Voice, Corvettes Against Breast Cancer and Veterans Day Parade.

Tail of the Dragon had 22 cars in attendance although only 15 cars went out and back. Some went another way back. This event was not as fast as it has been in the past due to the rain but did get the adrenalin going none the less. You just have to come on the next one per Barry. Brasstown Valley Resort was the site of a fantastic dinner. Some of the group stayed here while a number of people stayed at the Holiday Inn.

NCM donations: Wayne Ray has graciously challenged us to donate up to \$10,000 which he will match dollar for dollar for the building fund for the museum. So far there is \$1,000 in 2 checks that have been given to Tom Sauntry.

We lost a friend in Randy Cooper's dad who recently died. The club sent flowers.

Nominations: All slots are full except one. Additional nominations can be made for all offices. The need is for VP of Activities.

Don Shamel read the names of all those who have accepted nominations and the office for which the person was nominated. The floor was opened up for nominations. Cindy Owens was nominated as was Doug Reed both of whom accepted the nomination. Bob Renneke accepted the nomination this time to the board of directors. Nominations were closed, all slots now having two persons or more running for the office.

Wayne Ray invited all to look at the museum website to view a short video on the new building. He is matching club and member donations. Get your check to Tom Sauntry made out to the Museum. The challenge ends at the end of the Holiday Party. Bill Majoros commented that if you give \$500 that you will get your name on the wall in the new building.

**Secretary's Report:** Harriette Majoros

She asked for a motion to accept as published. Moved by Jane Tendeni and 2<sup>nd</sup> by Toni Etter. Minutes accepted.

**Treasurer's Report:** Tom Sauntry

Lots of dues money is coming in and it is not yet in the report. Also there will be a considerable outlay as the many charitable donations will be made shortly, including the charity families.

Beginning Balance:	\$12042.43
Cash receipts	106.50
Disbursements	1119.38
Ending Balance	<b>11029.55*</b>

(Includes \$2000 emergency "rainy day" fund)

Tom asked for a motion to accept as presented. Wayne Ray moved, Reggie Martin 2<sup>nd</sup>. Report accepted.

Barry asked Don to check to make sure that all those running for office have paid their dues for next year as required. Don assured us that all had paid. Also dues have to be paid for by the Holiday Party in order to vote.

**VP of Activities:** Cindy Owens

Operation One Voice- there was a police escort on the back roads but it was not as much fun as being on the Interstate. CABC: CGCC made a \$250. donation. A number of cars did laps and then on to the interesting car show. Tail of the Dragon: Lots of fun for all who went. Veterans Day Parade had some of our members in attendance.

**Upcoming Events: Defensive Driving Class.**

Harriette Majoros explained where it is located and that all are encouraged to attend to get a reduction in car insurance. Saturday 11-18 starting at 9:00 a.m.

**Holiday Party** is Dec 2 at the Timber Ridge Conference Center, same location as last few years. Invitations have gone out but Cindy and Joe would like to have everyone going sign up so that a good count can be given to Timber Ridge. Reservations with payment of \$30 per person need to be to the Owens' by Nov. 27.

**Holiday Lights at Callaway** is Dec. 12. We will leave from Sidelines at 3:00p.m., then gather about 5:30 for dinner at a destination to be determined. Make reservation for the trolley between 8 & 9 o'clock. You will have to go to the Callaway website to order tickets. Dress warm! It can get quite cold there at night. Call the Days In at the 800 number to make your reservation for the hotel but you will need to indicate CGCC to get the \$71 + tax rate. MAKE SURE YOU GET TROLLY TICKETS.

Greg asked Cindy if we were doing clothes for the kids again at the Holiday Party. Girls and boys jean and pants size 3-8 are needed.

**Toys for Tots:** Flyers are on the tables and this is in conjunction with Peach State Posse, meeting at Barnacles on Barrett Parkway. Bring new, unwrapped toy for the show. Have spots for 180 cars, and sign up is from 9-10:30. There will be door prizes, vendors. Even if you do not stay, come and drop off a new toy. Show is from 11-3:30.

Ron Floyd was asked if cars are needed for the Peach Bowl. Unknown at this time.

**VP of Membership:** Don Shamel

There are 84 people present with 2 new members Nancy & Bob Alexander. We now have 215 members.

Guests are David Dew – said it was a long way over here.

Danny Moore – 98 convertible  
Shelly Cherry – came with husband, Michael who is a member already.

Marilyn won the pot of money. T-shirts, etc were won by a number of people.

**NCM Ambassador:** Fred Hale

There's nothing new for now. Volunteer lunch was good and then a caravan ride to a cave. Please consider joining if you are not already a member. Also reminded us again about Wayne Ray's donation challenge and that donations to the museum are fully tax deductible.

Ron Floyd made a motion to have the board determine the amount of a donation for the museum from the club for the building fund. Hillary 2<sup>nd</sup> and the motion was approved.

**CGCC Store:** Chris Siddall

Chris will return as the store manager. (This delighted the crowd.) If you do not have a club sticker on your car's window, you can buy them from her. You get only one so if you acquire more cars or change cars, you will need to have a new sticker. Still have CD's from the Sock Hop for sale. The club's official shirt color is blue and they along with blankets will make nice Christmas Presents. Asked Heck to show off what can be done with as his shirt shows "73 big block".

**Webmaster:** Bridget Stephens

She got on her soap box about her 'soap opera' of members getting her pictures of their cars for the member's garage. If you do not want a picture of your Vette there, she will start putting Mustangs with your name under it. If you donate toys for tots, Calvin will take a professional picture of your cars.  
At the Holiday Party, Joe & Cindy will have the camera to take pictures for the members' photo album. Sign-up sheets are very important and it is just as important to cancel if you find you can not attend an event. To cancel, go to sign up, put in names and for number attending, put a Zero (0) in the box. If it is the day of the event, call the event manager.  
Password will change in January after the January meeting as only paid members have access to the pass worded sites.  
So far the web forum has not been successful for lat of someone to be the monitor. If you are willing, contact Bridget. She will help get you started.

**VP at Large:** Randy Cooper

\$178 in raffle tickets so the club gets \$87 and two people will get \$44.50. Bob Renneke's name was drawn and he donated the funds back to the club. Ed Goss was the other winner.  
New cars: Harriette Majoros has a new to her 2002 Electron Blue convertible with a white top. Its license plate will be DNTUWSH.

The other new car is Toni Etter's loaded 2006 yellow convertible.  
Some one in the crowd said, "You go girl."  
Randy also thanked the club for the flowers and concern and prayers of the members.

Barry then thanked the board and officers and managers for a good year. Introduced each one.  
Meeting adjourned at 7:03 – (Harriette told Barry this was his shortest meeting.)

Respectfully submitted,

Harriette Majoros  
Secretary

### Where Does the Money Go??

What is the Pythagorean Theorem? Let's face it; it's been a long time since many of us have covered middle grade math concepts. Recently the CGCC heard about a new program at Garrett Middle School called "Parent's Math Night Out". "Parent's Math Night Out", sponsored by Garrett M. S. PTSA, is an innovative after-school educational program designed to help parents better understand what their children are learning in Math class. In an effort to encourage more parents to get involved in the weekly math sessions, Garrett Middle School is having a "Parent's Math Night Out Open House" on December 7, 2006. The Open House will consist of a free spaghetti dinner at 6:00 PM to be followed by a Math Class for parents for students from 6:45-8:00 PM. When planning this event, Tonie Etter and her principal, Dr. Phillip Page did not expect more than 60 to 75 attendees; however, they are expecting over 325 guests based on the RSVP's. Classic Glasser's, Harriette & Bill Majoros, Reggie Martin, and Marvin & Chris Siddall generously donated to the cost of the "Parent's Math Night Out Open House". Garrett Middle School is inviting CGCC to become a "Partner in Progress" to show their gratitude to the club. **CLASSIC GLASS ROCKS !!**
