2nd Annual POKER RUN

To Benefit

AUTISM SPEAKS™
Partners to Progress

Autism

Speaks

9AM
April 11, 2009

Autism Speaks is the frontrunner in Autism research and resources for families dealing with this disorder. Autism is the most common developmental disorder in the United States affecting one in every 150 children born today. Despite some promising discoveries, the cause of Autism is unknown and a cure does not exist. Research is crucial. Every 20 minutes another child is diagnosed with autism. Not only must we find ways to improve the quality of life for children and adults with autism, but we also must find a cure, and soon.

- Meet at Travel Center (Exit 293 off I-75) @ 9am for staggered start
- Participants will follow a set route using clues to 3 mandatory checkpoints
- At each checkpoint the participant will draw a raffle ticket to be used at the drawing for GREAT PRIZES at the end of the course
- The course is approximately 125 miles long and will end up at the Champion Café in Dawsonville, GA

PLEASE NOTE:

- This is NOT a Gumball Rally - Speed is NOT a factor in playing this poker run.
- Passengers are great assets as navigators for this run.
- We are using this as a fundraiser for Autism Speaks. Though there will be no "Entry Fee" we would like to ask for donations to be made to Autism Speaks if the participant had fun. \$5, \$10, \$50 or whatever dollar amount the participant feels his/her fun was worth to help this cause.
