

Classic Glass Work Weekend

May 30 and May 31, 2009

Come join the fun, drive, companionship, a little work and a great time at the museum.

We will leave from the old Big Lots parking lot on Glade Road (exit 278, south on Glade road 1/4 mile, lot on left) at 8:30 a.m. We should meet at 8:15 for final instructions. Full tank, and stomach. Be sure to take potty break before leaving. Waffle House on site.

We have a scheduled 15 min. potty break at MM 134 (Monteagle), which will be in about 3 hours or sooner if necessary.

When we get to Bowling Green, we will have lunch, then go to the museum for our work session and work until close.

Go to the motel for check-in, cleanup, and dinner (supper for some). Reservations at the Baymont Inn under CGCC.

Sunday morning, after breakfast at the Porky Pig Diner in Pig Ky, return to the museum for work until lunch time. Lunch, fill up and return home. We can caravan home (which is more fun) or race home individually.

For information, call Fred at 770-422-4914 (cell). Some of the suggested tasks to be accomplished are: filing build sheets and window stickers, cleaning glass on display cases, putting pine straw around the shrubs. More tasks are to be identified later.
