

# **2<sup>nd</sup> Annual Bow Tie Festival Car Show**

**October 10, 2009**

It is my pleasure to invite you to our 2nd Annual Bow Tie Festival Car Show. Our first car show was a great success and the we have already experienced great

interest in our upcoming second show. This an all Chevrolet show, Cars, Trucks and of course Corvettes.

We are expecting a large turn out, so we have secured a new space that will allow the showing of 300 + cars with a full space between cars.

We have some new additions that we think you will enjoy. We have added a hospitality area with Canopies, Tables and Chairs for eating or just taking a break.

We have also added a Car Bash featuring and old Cougar that needs some help in being sent to the promise land, where it hopes to come back as a Chevy.

I mention these two items because they are not listed on the attached flyer.

The show while sponsored by Rick Hendrick Chevrolet, will not be on their property but will take place in an adjacent parking lot.

When directly in front of Rick Hendrick Chevrolet the parking lot is immediately to right of the dealership.

This parking area has plenty of space, with a exclusive large area for your canopy, if you wish to bring it.

Be sure and read our flyer completely, we are featuring prizes of \$500 dollars for the largest club participation and \$250 for the 2nd largest club participation.

You are definitely not going to want to miss our 2nd Annual Bow Tie Festival Car Show.

Best Wishes

**Steve Bracken**
