MTI RACING Is The Premier Automotive Shop In The Southeast Specializing In GM Performance Vehicles.  
Nowhere will you find the level of experience - on and off the track - as you will at MTI RACING.

Let MTI RACING be your source for all your GM Performance needs!

**EVENT ANNOUNCEMENT:**

MTI Racing's annual Dyno Day and Open House on Saturday, April 3rd is from 10am-2pm. Last year's event was awesome and it keeps getting better every year. We invite you and your Corvette, Camaro, CTS-V, GTO, and GM Truck!

We'll have free food, and tours of our new addition, the MTI Racing Machine Shop. We are now building racing engines for many brands. See our chassis dyno, shock dyno, and cylinder head flow bench. You can see our latest projects, like our TVS Supercharged 500cu.in. RHS engine block. Come see the C6 Racecar, TVS 2300, and all the new products for the 2010 Camaro. We'll also have parts, accessories, wheels, and aerodynamic trim on hand. We'll have a products seminar, and discounts for all attendees. If you would like to measure the horsepower of your car, sign up for a slot on our chassis dyno. Dyno pulls will be \$50 for 3 pulls. Call now to reserve before they fill up.

We encourage you to RSVP so we can get a head count on food, but last minute attendance is still welcomed. Please email us to reserve your spot on the dyno.
