**A FUNDRAISER / CRUISE IN FOR
TIFFANY HALEY WILLIAMS**

(100% OF THE PROCEEDS WILL GO TO TIFFANY)

Tiffany, 27 years old, is presently in Houston, renting an apartment with her husband Bryan. She is undergoing extensive chemotherapy at MD Anderson Hospital for Hodgkin's Lymphoma. Her treatments are taking a toll on her, suffering for over six years. Medical expenses are only partially covered. Rent, food, and other personal expenses are paid out of their pocket, so they are one day at a time.

Tiffany and Bryan have family in both of our clubs, so this joint venture is in an effort to help them down this bumpy road.
