PLEASE NOTE:

- This is NOT a Gumball Rally - Speed is NOT a factor in playing this poker run.
- Passengers are great assets as navigators for this run.
- We are using this as a fundraiser for Autism Speaks.

Though there will be no "Entry Fee" we will ask for donations to be made to Autism Speaks if the participant had fun. \$5, \$10, \$50 or whatever dollar amount the participant feels his/her fun was worth to help this cause.

- Meet at **Bogey's**—Town Lake Parkway @ 10am for staggered start
- Participants will follow a set route using clues to 4 mandatory checkpoints
- At each checkpoint the participant will draw a raffle ticket to be used at the drawing for GREAT PRIZES

Autism Speaks is the frontrunner in Autism research and resources for families dealing with this disorder. Autism is the most common developmental disorder in the United States affecting one in every 150 children born today. Despite some promising discoveries, the cause of Autism is unknown and a cure does not exist. Research is crucial. Every 20 minutes another child is diagnosed with autism. Not only must we find ways to improve the quality of life for children and adults with autism, but we also must find a cure, and soon.

If you're unable to participate in the Poker Run Fundraiser, but would like to donate to Autism Speaks you can make the donation directly by following this link.

DON'T BET YOUR VETTE POKER RUN

This is **NOT A RACE !!!**

Time does not win you points or extra cards! It is more important to drive safely and have fun!

This type Lettering = Actual Directions

RIGHT / LEFT = actual turns

STOP = an actual STOP sign

RESET = you need to reset your trip meter

**** If there is mileage noted it is from the LAST TURN not from a hint or clue. Again mileage noted is from Turn to Turn not from last clue****

(____m) The mileage noted in parenthesis let's you know the mileage between turns.

Stylized Lettering - are hints to let you know you're where you should be -- **if you miss a hint no big deal -- if you miss a TURN -- now that's a big deal.** Hints and Clues are just to let you know you are one the right road

CHECKPOINT - denotes the actual Checkpoint to pick your Card/ Raffle Ticket - 1 Card/Ticket per Car

**** If there is mileage noted it is from the LAST TURN not from a hint or clue. Again mileage noted is from Turn to Turn not from last clue****

**** Keep your eyes on the road. These roads are full of turns and mountain hills. Some hillcrests have turns in them. Be careful ****

DO NOT DRIVE PAST YOUR LIMITS - AGAIN SAFETY IS IMPORTANT FOR EVERYONE'S FUN.
