What we want to see is loads of toys; as one of our members says "put a major dent in the USMC Toys For Tots 2012 goal". We know from years past that the car community can come together for this one event knowing their work and efforts are bringing big broad smiles to children that might not otherwise have anything for Christmas. There will be trophies, raffles, silent auction and fun in general. All this is to generate more toys for the kids.
