

## **Classic Glass Night at Atlanta Dragway!**

Friday night, September 28, 2012 is officially CGCC Night at the Atlanta Dragway, Commerce, GA.

All CGCC members and guests are welcome to a night named for the club at the Atlanta Dragway. We'll receive reduced gate admission, a private air-condition suite in the tower, and PA announcements recognizing our club.

In addition, we'll have a private staging lane -- and more!

Whether you plan to participate in the drag experience with your Corvette or not, we'll all have a great time at a great venue!

The photo above is the P98 Racing Corvette, the first Corvette ever to reach the finals in the TV Series "Pinks All Out". Owners and CGCC Members Paul Smith (Sr. and Jr.) will be at our event to answer questions, give tips and make this experience absolutely unique!

This flyer will be updated as more details are known. Be there!

**See the Vengeance Racing Poster on the next page!**
