Michelin NCM Bash

Kickoff of the NCM on site event season – Bash traditionally marks the roll out of the next model year Corvette; the place where you can see them up close and in detail. Bash 2016 will provide enthusiasts the chance to see the new 2017 Corvette Stingray up close as well as getting all the latest information about the all new 7th Generation Corvette. Seminars will feature speakers discussing 'What's new in the 2017 model year', the award winning body structure, as well as using your 7th generation navigation system. As in past years there will be a large contingent of GM engineers and designer from Warren Tech Center, Milford Proving Ground and the Bowling Green Assembly Plant ready to answer your every question. Also back to Bash is our LT4 Engine building demonstration by BGAP Rob Nichols and Brian Lee.

Returning activities include a seminar and classroom sessions by GM certified Corvette Technicians Paul Koerner & Brittany George. Enjoy some guided road tours, two celebrity choice car shows, the Ladies' Oasis, and the expanded Garage Party with women of the GM Corvette Team. The ladies will cover all aspects of Corvettes including maintenance, engineering and even high performance driving. Some returning activities include Golf with GM Team.

CGCC has two (count 'em) TWO caravans to Bowling Green for the Michelin Bash.

Wednesday, April 27, 2016

Harriette and Bill Majoros will be leading a group up to Bowling Green leaving at 10am from the Dunkin Donuts at Sandy Plains and Hwy 92 (the Movie Tavern area). Be there no later than 9:30a. Questions? Contact Harriette at majorosw@earthlink.net or by phone at 770 212 1714. Also be sure to sign up on the CGCC website at cgcorvetteclub.com/regis.html

Thursday, April 28, 2016

Wayne and PJ Ray will be leading a group up to Bowling Green leaving at 9:00a.

We will meet at Hardee's at the intersection of Hwy 92 and I-75 at 8:45a.

There will be a "pit stop" at Monteagle TN.

To avoid all Nashville construction, lane changes, merges and truck traffic we will bypass Nashville and exit I-24 at Briley Parkway (Exit 54, Rt 155) and go straight up Briley Parkway to I-65. This is just about the same mileage but a shorter time, a *nicer road* and is *much safer*.

Speed will be posted limit +5mph. Set your cruise control.

Bring your hand-held radios tuned to Channel 7.

Don't forget to WAVE!

Questions? Contact Wayne at <mailto:sting-ray@bellsouth.net> or by phone at 678 717 8628. Also be sure to sign up on the CGCC website at cgcorvetteclub.com/regis.html
