

CGCC and the Horizon League are "buddying" up for an event on Saturday, May 14th at 3:00pm.

The Horizon League has grown and this spring will have 18 teams ages 5 and older. Come out and help these kids with their baseball skills.

Games will last about 50 minutes but we ask all Buddies to come ten minutes early to get paired up with an athlete and briefed by the coaches. Rules consist of: Everyone gets on base, no outs, everyone gets a turn to bat and the last batter gets a home run.

Buddying consists of working 1:1 with an athlete by helping run to the bases, bat, catch balls, field balls and help in the dugout. Basically, the Buddy would place baseball alongside the athlete.

Games are non-competitive and each player on the roster gets on base before the opposing team gets to bat.

Feel free to contact Lauren Ham at 770 917 1234 with any questions.

See you there!

The Horizon League provides children and adults with developmental and physical disabilities the opportunity to participate in athletic and social events, develop lasting relationships among their peers, coaches and parents, and show them they are an important part of their community by creating an environment of inclusion for both the kids and their parents.

“The key Community aspect of the program is the Buddy system!”
