We will gather at the **Cherokee Cattle Company Restaurant**, Marietta, GA at 8:30 AM, Conduct a driver's meeting at 8:45 and leave promptly at 9:00 AM.

*Arrive with an empty bladder and a full tank of gas.  
Radio's on Channel 7 as usual.*

We will take Piedmont Ave west to Barrett Pkwy west, to Dallas HWY (GA 120) west, to Jimmy Campbell west, and continue on US 278 west to Piedmont, GA where we have a scheduled 30-minute rest stop at a Raceway before continuing on to lunch at [Garfrerick's Cafe](#) in Oxford, AL. This is a buffet lunch stop capable of serving groups touring the area and is close to the [Cheaha State Park](#).

After lunch we will tour the scenic Talladega National Forest including the tallest point in Alabama. The fall color and scenery should be fantastic! We will return to the Cheaha Park for a 30-minute rest break after which we will proceed to I-20 and back to our homes. We are scheduled to be back in the Atlanta Area at approximately 6:30 PM.

For those that do not wish to continue the cruise after lunch, I-20 is only a few minutes away to the north and is only about 1.5 hours back to the Atlanta Area. The [Barber Motorsport Park and Motorcycle Museum](#) is close by for those that may wish to visit on their own.

*Because of the large number of cars participating, it is recommended that each driver print the map including the directions and have it with them during the cruise.*

*Most of the route to the restaurant is two lane roads including several small towns & some of us are likely to get separated. This will allow us to re-assemble at the rest stop and later at the café.*
