

## **Sprayberry High School Homecoming Parade 2016**

Sprayberry High School would very much like our continued support for their annual Homecoming parade. The parade is Friday 7 October. They are asking for 20 cars if we can provide that many. We can use a mix of Convertibles and Coupes for this event.

Based on the last few years we will meet at Sprayberry High School (2525 Sandy Plains Rd) between 4 and 4:30. There we will pick up our riders and take them around the block to the starting point of the parade on Newton Rd behind the school. There will be time to fully decorate our cars before the start of the parade. The parade usually starts about 5:00 and runs down Newton Rd to Bob Bettis Rd, to Piedmont Rd back up to Sprayberry.

The parade viewers and cars in the parade are usually instructed not to throw anything during the parade. I have not heard of any issues in the last few years.
