

This year the 2017 CGCC Poker run will start behind the Quick Trip at 825 Sandy Plains Rd. There will be a drivers briefing about 08:45 and cars will be free to start immediately after that. We expect the run to get through all three checkpoints and then end up at the Buffalo's Café at 117 E Felton Rd, Cartersville, GA 30120 about 12:30 that afternoon.

This year the course of the run goes in a direction that we have not been on before. There are a number of roads that should make this a fun event.

We will have two trophies. One trophy will be given for the best poker hand based on cards drawn at the start, each checkpoint and at the end. There will be a trophy given for the team with the best score answering the trivia questions.

Any and all donations will go toward the Piedmont sixty Plus program. We will have someone from the Piedmont sixty Plus Outreach program at the May meeting to give us more information about that program.
