

The Wall That Heals

Vietnam Veterans Memorial Replica & Mobile Education Center

Help us escort The Wall That Heals in Johns Creek on Wednesday, March 29th

This half-scale replica of the Vietnam Veterans Memorial in Washington D.C. is touring America to help understanding of that war and its sacrifices. The wall will only be displayed in two cities in Georgia and, in a few days it will be installed in Newtown Park, Johns Creek.

We've been invited to be part of the escort for the wall on March 29th. We'll escort it to the Park where it will be accessible to everyone March 30- April 2nd, 24 hours a day.

If you'd like to participate in escorting **The Wall That Heals** on Wednesday, March 29th, please go to the CGCC website and sign up. Link is [HERE](#). We need to let the organizers know how many Corvettes to expect.
