

The 6th National Corvette Caravan

August 28-31, 2019.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2019 and will mark the Museum's 25th Anniversary.

Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum.

Current plans are for CGCC members desiring to participate to join the Florida State caravan on Wednesday August 28th as they proceed to Bowling Green. The Florida state group also plans charity laps on the Daytona speedway to benefit the NCM prior to traveling to Acworth for an overnight stay. This will also be available to CGCC members when details are developed.
