

CGCC NCM Work Weekend  
July 8-9, 2019

If you have not attended an NCM work weekend, please come and join us as we give back to the Museum.

I know you all give money but they really need volunteers and this is our chance.

We won't be expected to scrub floors but we will get a chance to know more of the staff by helping them in the various departments. We'll work at a relaxing pace doing any of the office type jobs they might need done. AND we'll get to know each other better too.

We'll go up Saturday morning around 8 AM get there just before lunch (their time), work in the museum Saturday afternoon. Then we can all go out to dinner and really get to know each other better. Sunday morning we'll regroup to work for a while at the museum then return to Atlanta in the afternoon . It is not too late to SIGN UP NOW! To do so, click [HERE](#).

Questions, click [HERE](#) to email me.
