

Event Information: McKenna Farms Therapy Services Derby Day

Date: May 2, 2020

Time: 4:30pm to 7pm

Location: McKenna Farms Therapy Services, 3044 Due West Rd, Dallas, Georgia 30157

Join us as McKenna Farms hosts our fourth annual Derby Day at the Farm. Guests will enjoy food and drinks while watching the Kentucky Derby live at our beautiful horse farm. The evening includes a silent auction, derby hat contest, live music, and riding demonstrations by kids participating in our therapeutic riding program.

This event is the main fundraiser for McKenna Farms, a 501(c)(3) charitable organization, and one of our club's main charities. CGCC members are encouraged to attend by purchasing tickets to reserve 10-top tables. For every ten people that sign up, we can reserve a table. Alternately, members can purchase individual event tickets. The tickets/tables include a buffet meal, live entertainment, presentations and demonstrations, ladies hat contest and large screen live viewing of the Kentucky Derby. Silent auction, and games are available for donations and a cash bar is available including mint juleps. Hundreds of people attend each year for this special event held in their large indoor arena.

This is a really fun time with games, contests, great horse-themed atmosphere, a special social event and it helps support a very important charity. It usually it coincides with our SVS car show; however, this year we have the opportunity to attend the Derby Day with SVS moved to May 9.

Ticket are \$40 each. Please [register](#) quickly so we can get reserved tables which require we have at least ten people per table. We already have one table filled!

Please see the club event site to sign up.
