

Tour Europe in Georgia Mystery Cruise

Once again this year, Bill and Harriette Majoros have put together an exciting Mystery Cruise. For this one, you will be taken across the big pond for the Grand Tour of Europe.

October 10, 2020 is the date. Start time is 9:30am which means you have to be at the starting location by 9:15 for the drivers meeting. Starting location is the QJ at Farnest Barrett Parkway and Crater Lake Rd just west of Hwy 41. Park on the west side of the building and check in. Remember as always, this is an all-day rain or shine event so bring an umbrella just in case.

Bring some snacks and drinks for in the car as the potty stop will only be 15 mins and the time from start to lunch will be 4 to 4 1/2 hr. Wear walking shoes and bring your camera.

Because we cannot find a restaurant that will take a group our size, lunch will be at the last stop and they have a food truck to serve you and lots of drinks to imbibe in.

This trip is limited to 15 cars – 28-30 people so sign up quickly or get left out. Total cost will be about \$5 per person donation- not required.

For those who do not open their direction envelopes there will be a prize. Radios (Channel 7) are a must.

Any questions, contact Harriette at 770-971-7249 or Bill 770-212-1714 or email at majorosw@earthlink.net.
