

New Member Cruise - Saturday, May 15, 2021

All CGCC Members,

The New Member cruise for May is this Saturday, May 15th. The Club puts on these special events for the new members to become acquainted with each other and the senior members as well. These events are also an excellent opportunity to become familiar with the cruise activities we do, how we do them and what to expect from other like events. SO, if you are a new member, please try and participate in one or more! All members are welcome!~

We will meet at the Hardees restaurant on 92 at exit 277 north, right off I-75. (This is a change from what was announced at the Tuesday general meeting.) This is the same exit as Cabela's. Be there at 10:30 AM, we will leave at 10:45 AM. From there we will be making an easy run over to Rome via 411 and will proceed to Sams' Burger Deli for lunch.

<https://www.samsburgerdeli.com/>

The rest of the fun starts after lunch with a run up Fouché gap and a stop at the power line overlook. From there, we'll head down the mountain and off for a quick stop and bathroom break at "The Pocket". Then we'll head back over another mountain and over towards I75 for a return to the Atlanta area. The route will be about 100 long miles from the lunch stop. **BRING YOUR RADIOS set to channel 7. Click here for info on the radios we use!**

Please send an email to <mailto:bobzajicek1@gmail.com> if you think you can come so I'll be able to get a headcount for the restaurant.

Thank you and cheers, Bob
