

Sprayberry High School

Homecoming November 5, 2021

Instructions:

- 1) Between 4:15-4:30 we will start lining up on Newton Rd (behind Sprayberry's baseball field) - the numbers to the left are your positions in the line-up. Please locate the blue numbered stake on Newton Road and get your group organized at that position.

- 2) A Sprayberry Admin or Teacher will be driving by on a golf cart to collect permission slips. Remember no student can participate without a release form. You are responsible for verifying that you have a form from each participant. After you take attendance please give the release forms to the SHS rep. Thank you for your help with collecting the paperwork!

- 4) All corvettes will line up at the back patio. Homecoming Court will locate their numbered car and then hang up their sign. As soon as you are set, please head to Newton Rd and find your location in the line-up.

- 5) Parade will get started at 5pm or as soon as the last Middle School bus passes through. We will only start a few minutes early (4:55ish) if ALL groups are present and ready to go. ☺

Corvette Club contact dshamrick@comcast.net (12 -18 cars - convertibles and coupes - only one court member can be in a coupe with top removed)
If we have more than 12 cars, the senior court will each have their own car.
