

Kell High School

4770 Lee Waters Rd, Marietta, GA 30066

What? Kell High School Homecoming Parade

Where? Lee Waters Rd, Jamerson Rd, Kell

When? Thursday, October 7th, 2021, 3:30-6:00:

Staging in the band lot 6:00-6:15: Safety briefing 6:30-7:00:

Parade down Lee Waters, Jamerson, Bus Lanes 7:00-8:30:

Community festivities such as bouncy houses, Food trucks, live music, and other fun activities for kids!

1. A map indicating your organization's ASSIGNED location for assembly will be emailed the week of the parade.
2. No vehicles should be parked or driving through the assembly area if they are not participating in the parade route. Parent vehicles will not be allowed to drive back to the floats. Your Kell HS DECA team will be on hand to walk students back to their float or group.
3. NO CHOCOLATE candy that can melt on the street should be thrown.
4. NO THROWING CANDY FROM ANY VEHICLE! Only participants walking in the parade can throw candy. This is for the safety reasons!
5. Students throwing candy must walk close enough to the sidewalks to enable children to catch the candy.
6. Walkers must keep pace with the parade, or they will be asked to move out of the parade and onto the sidewalks.
7. Per Kell Administration, owner of the property, there can be no golf carts, segways, razor scooters, skateboards, motorcycles, or ATVs. Also, no throwing of footballs or roughhousing. Students must stay with their groups.
8. Each group is responsible for cleaning up their float and the surrounding area once the parade is finished. In years past, young children were running out into the road to get candy. Many children were in danger of being hit by vehicles. Safety is our top priority this year. Please work with your organization to keep the candy distribution safe for everyone. Thank you!

CLEANING POLICY THIS YEAR: Only small disposable items may be placed in Kell dumpsters, large items are to be disposed by the float's assembly team. Your application to be in the parade signifies your agreement to dispose of all large unwanted materials somewhere other than Kell. Please consider this while planning your entries.
