

Put your team loyalties to one side and join us for the annual Chick-Fil-A Bowl parade on December 31, 2022 at 1:00PM!

Chick-Fil-A tells me that they need 20 cars (convertibles preferred) with the ability to carry a VIP in this annual college bowl tradition. Our guest riders will be current or former Hall Of Fame players, coaches, Chick-Fil-A Cows and other dignitaries.

Our guests could be BIG DUDES. Since this parade is about Chick-Fil-A and our guests, if you're not comfortable with someone sitting on the "waterfall" or you're driving a coupe, you might want to purchase a "booster seat" that is **sturdy enough to allow your guest to be seen!**

The cling signs that Chick-Fil-A provides might not stick to a car with ceramic coating. Amazon sells some huge silicone "rubber bands" that will wrap around the door, not mar the finish and hold the signs under parade circumstances. If you use a tape for the signs, use a color and quantity that won't detract from the beauty of your car nor the signage!

Step off time is 1:00PM. Because traffic will be heavy and police barricades will be all over downtown Atlanta, I suggest that we meet at 10:15AM in the parking lot of the RaceTrac at 2466 Delk Road, Marietta, GA. We will travel in a herd to the parade starting location. We will leave RaceTrac at 10:30AM

BE SURE to bring your family band radios set to channel 7. Bring your cell phone "just in case".
