

CGCC Biltmore Estate Holiday Visit

We will arrive at the Biltmore Estate on Sunday, 13 November per the driving instructions below. The drive will include lunch at Chevelles, 983 NC hwy. 69, Hayesville, NC 28904.

Given the forecasted cold weather in Asheville on Sunday through Tues, you may want to consider using another vehicle if your corvette has Michelin summer tires, which can be damaged as the rubber hardens. All Season tires will be fine.

There will NOT be a group photo upon arrival, as the Biltmore has informed me that group car photos in front of Biltmore House do require advanced approval and are only permitted between the hours of 7:30 and 8:30am. For Lodging groups, a fee of \$850 does apply. You may check-in at the Biltmore Inn or Village Hotel upon arrival. Steven Cassaniti is coordinating a group dinner in town Sunday evening for those that are interested.

Our Biltmore House Candlelight Tour will start promptly at 5:45 on Monday, 14 November. Immediately following the tour, we will walk to the Stable Café for our group dinner scheduled for 7:30PM. Our POC at the Biltmore Estate estimates 1.5 hours for the full experience on the house tour.

Transportation: Biltmore Estate does not provide shuttle service Downtown or off-site of the Estate. Asheville does have Uber/Lyft/Taxi service. Note that transportation is needed on the Estate as well (on/off and if traveling to Antler Hill Village).
