

Gear up and join us the first Sunday of each month for our Cars & Cigars Car Show and Jazz Brunch held in front of Cigar Cellar and Olde Town Bar & Grill. Head on over after Caffeine & Octane – we'll have drinks flowing out of our sliding glass windows, humidor stocked to purchase sticks, music to suit the day, lounge/dining room open for seating, and rows of classics and exotics to admire. At the show, you can grab some of our amazing brunch selections (<https://www.cigarcellar.net/menu>), browse or drive-in to the car show, and groove to some live jazz. Check out a highlight reel of our last Cars & Cigars charity event:
