On Thursday, Friday and Saturday tours, seminars and Motorsports Park (MSP) activities are available for you to choose from to enjoy during the day.

Thursday night, there is a dinner and documentary at the Corvette Museum: Boundless – Betty Skelton Viewing and Roundtable with Cindy Sisson, Derek Moore, Lane Motor Museum and Jerry Burton, NCM Hall of Fame Inductee. The cost is \$45.00 per person for members and \$50.00 per person for non-members. Please see more detail on the NCM website under the event as you register.

On Wednesday, August 31, there is an Andy Pilgrim Driving Experience at the MSP. See information about this exciting event and the link to sign up on the NCM website as you register. The experience places you in the drivers seat of a C8 Corvette with personal feedback from Andy throughout the day!

Plus, on Thursday and Friday, the MSP has added a variety of items to the calendar so that you can enjoy track activities at your convenience. An overview of the experiences with a link to sign up is listed on the NCM website under both days as you review and register for the Anniversary Celebration.

There is much to choose from on the NCM website to keep you entertained and having fun while visiting the Museum. Also, remember you can always volunteer some personal time while you are there to help

out the museum staff. A morning or afternoon, a full day or more are always welcome.

Our hotel accommodations for this Event will be at the:

Country Inn and Suites  
535 Wall Street  
Bowling Green, KY 42104  
270-781-7200

I have ten King Rooms and five Double Queen rooms reserved under our group contract; first come, first served on room types. The rate is \$79.00 plus tax. Please call and make your own reservation and provide your credit card number to hold the room in your name. Mention Classic Glass Corvette Club and my name. You can speak with Christie, Jessica, Tamyra or Cynthia.

The deadline to make your room reservation under our group contract is August 17th.

I will be contacting those who register to coordinate a caravan up to the NCM closer to the event dates. I personally will be going up Wednesday, August 31, and I will need a volunteer to lead a group up Thursday.

Let's load up and head to the National Corvette Museum for this Anniversary Celebration and show our Club's support!

Thank you,
