

Vengeance Racing Toys for Tots/Dyno Day

[Vengeance Racing \(VR\)](#) will be hosting a local US Marine Corps Reserve 2023 Toys for Tots event. Please join us at Vengeance Racing (VR) on Saturday, 2 December from 10:00a to 3:00p with new, unwrapped toys to donate. VR will be working with members of the Marine Corps Reserve to collect your donated toys.

VR will also offer to Dynotune your car. Cost is \$50 for two pulls. If you haven't done it yet, it's a great way to measure your car's max Horsepower and Torque.

Please support this event - Toys for Tots is a nationwide event to help needy children enjoy Christmas with donated toys. CGCC has partnered with VR for several years now for this annual cruise-in event, and will be presenting a donation check to the Marine Corps Reserve.

VR will have Black Mountain BBQ onsite so you can grab a bite to eat.

VR is located at 241 Castleberry Industrial Dr, Cumming GA 30040. If you need to call, the number is (678) 513-7105. Their email is sales@vengeanceracing.net.

Semper Fi,

Don Bailey
