

# Northside St. Patrick's Day Parade

## Saturday March 18 2023

Here's a link to the event website: Click [HERE](#).

CGCC is number 13 in the parade. I attached below general instructions, a map and Participant Parking Pass - each car will need this parking pass (you will need to print parking pass) to gain entry into the rendezvous parking area which is the Century Springs Office Complex lot.

The best address I have for the lot is 6000 Lake Forest Dr, NW, Sandy Springs, GA. You must enter the lot off of Hammond Dr. in Sandy Springs.

Our lot arrival time is 9 am but I have permission from the parade director **to arrive earlier like 8:30 to 8:45 am ... I plan to be there about 8:30 am.**

**On the map the “pink star” is the lot entry point, The “Yellow Star” is the exit point to the parade and the “Blue Star” is the exit point for those wanting to leave after the parade.** If anyone wants to stay after the parade to enjoy the festivities there will be parking under the Sandy Springs city hall.

As of now there is no one riding with us other than who you bring. We have five cars signed up as of now and I told them we will have at least ten cars **in the parade so sign up soon ... there is no max number of cars.**

This is the first year for this parade expect so a little confusion. If anyone has any question, etc contact me C 678-246-9006 or email [dshortsmar@comcast.net](mailto:dshortsmar@comcast.net).

Sign up on the CGCC website by clicking [HERE](#).

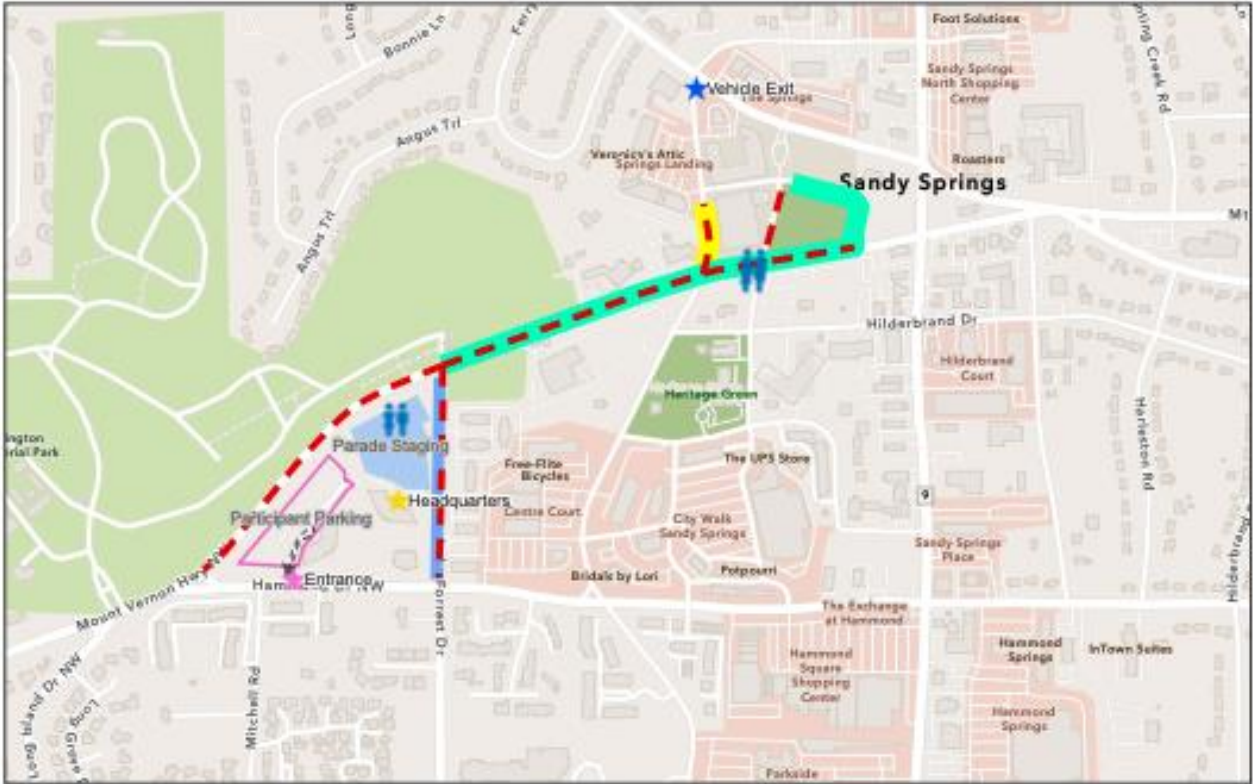

Thanks!!

See you on Saturday, MAR 18th.
