

CGCC Corvettes and Coffee

Each month, usually on the second Saturday, CGCC hosts a morning social event at a restaurant in the Greater Atlanta area.

The calendar for these informal events can be found below and includes each month's location. The calendar will indicate the location which will change monthly. Our goal is to give Corvette fans a chance to show off our 'Vettes and have a social morning all over the Greater Atlanta area. All Corvettes are welcome; this is not just a Classic Glass Corvette event.

Corvettes and Coffee is from 9a to 11a but come early and stay late if you wish.

Hope to see you there!
