

The MDE Special Needs School, whom we sponsor, is once again having their “Principal of the Day’ ceremony this year. Historically I would go to the school and escort the chosen student around the parking lot to the applause of all the other students/staff/parents.

This past year I reached out to the club and we had about five or six other Vettes show up that morning and it made the parade even better! Thanks guys.

This year they have two students that they are wanting to have escorted. Would you consider? All the ones that did it last year had the best time with the kids and parents. Please consider doing this. We only need a few cars.

The date is Thursday Sept 5<sup>th</sup> at 10:00 in the morning. The address is 1517 Johnson Ferry Road, Marietta, GA 30062.

It's quick and will be over in about 15-20 minutes or so. It really makes these kids’ day. Sign up [HERE](#).
